Broward County, Florida enters contract negotiations to Install Axia, Pioneer Technology Group's Value Adjustment Board System

Maitland, Florida -- (April 10, 2006) -- Pioneer Technology Group, a provider of custom developed software to County Government, announced that they have entered into contract negotiations with Broward County, Florida to implement Axia, its Value Adjustment Board System.

Axia will improve and extend the automation of the County's Value Adjustment Board process by providing taxpayers with a variety of ways to submit petitions, evidence and filing fees; as well as, secure internet access to hearing schedules and petition status.

About Pioneer Technology Group

Pioneer Technology Group is a provider of custom developed software to County Government specifically targeting County Clerks, Property Appraisers and Tax Collectors. Pioneer Technology also provides consulting services to counties in the areas of electronic document transmission, recording and workflow management.
