Indian River County, Florida, Clerk of the Circuit Court agrees to Install AXIA, Pioneer Technology Group's Value Adjustment Board System

Maitland, Florida -- (March 28, 2006) -- Pioneer Technology Group, a provider of custom developed software to County Government, announced that Indian River County, Florida has agreed to implement Axia, its Value Adjustment Board System.

Axia will be available for general release in June of this year. Indian River has agreed to participate in the development of Axia, by reviewing the final stages of product development with Pioneer Technology Group.

Axia will improve and extend the automation of the County's Value Adjustment Board process by providing taxpayers with a variety of ways to submit petitions, evidence and filing fees; as well as, secure internet access to hearing schedules and petition status. In addition it will provide automated scheduling of hearings based on the petition type and availability of magistrates and hearing rooms.

"Indian River's input will greatly assist us in this product's completion," said Steve T. Rumsey, President of Pioneer Technology Group. "We look forward to their involvement."

About Pioneer Technology Group
