Manatee County Tax Collector to Install Pioneer Technology Group's Tourist Development Tax System, Excise

Maitland, Florida – (December 4, 2006) -- Pioneer Technology Group, a provider of custom developed software to County Government, announced that the Manatee County, Florida Tax Collector has agreed to implement Excise, its online Tourist Development Tax System.

Excise will allow the Manatee Tax Collector to streamline its Tourist Development Tax process by eliminating the need for paper coupons and providing a user friendly website that allows for electronic registration and remittance of taxes. In addition, Excise includes a comprehensive report library for financial and statistical tracking along with a correspondence module providing taxpayers notices via email or printed letters.

About Pioneer Technology Group

Pioneer Technology Group is comprised of experts in system design and development, integration and implementation thus providing clients with an unparalleled level of service. Our commitment to each client goes beyond the completion of a project. We provide continual support through all project phases, including software maintenance, version upgrades, technical support and dedicated personnel to meet your needs.
