## BETA VERSION OF COURT SYSTEM DELIVERED ON SCHEDULE TO BAY COUNTY, FLORIDA

**September 21, 2007:** The Bay County Clerk of the Circuit Court received the first version of Pioneer Technology Group's new court case management system on September 19<sup>th</sup>. The initial Beta release, which was delivered on schedule, is the first of many versions that will be installed for testing over the next 15 months.

Bay County teamed up with Pioneer Technology Group in April of this year to create a new court system. The project has an aggressive timeline with beta deliveries scheduled each month until final completion of the Criminal module in February 2008.
